

## registration requirements

### CAF Marathon -Caracas 2017

#### registration period

Registration will be open until 02/28/2017, or until it reaches its maximum capacity, whichever comes first.

#### general information

1. Complete the online form correctly. Fields with an asterisk (\*) are mandatory.
2. Formalize your registration by completing the payment process by any of the methods indicated in the [maraton.caf.com](http://maraton.caf.com) page.
3. Confirmation of registration will be sent via electronic mail indicating your runner number.

***Note: Remember that you will be formally registered only once the payment process is complete and you receive a confirmation mail.***

#### regarding registration

Participants must certify that they are able to run the Marathon distance in less than 6 hours, and the Half Marathon in less than 3 hours.

- i. Any runner who has participated in any of the last three editions of the CAF-Caracas Marathon or Half Marathon, who has complied with the maximum times aforementioned, and who has not been disqualified by any of the reasons stated in numeral 16.2 of the Regulations of the CAF-Caracas Marathon in its V Edition, complies with this additional requirement and must only complete the information requested on the online form.
- ii. Any runner who has participated in any of the races included in the Race List indicated in the following Table and in Annex A of the Regulation of the VI Edition of the CAF-Caracas Marathon, who has complied with the requirements indicated in numeral 5.2.4 of the VI Edition of the CAF-Caracas Marathon, and has not been disqualified in any of them, complies with this additional requirement and must only complete the information requested on the online form.

**Nota 2:** *Runners who have not participated in any of the listed races, may present evidence of their participation in other national or international races whose results are easily available in the official portals of the corresponding races.*

- iii. Runners who do not comply with the conditions foreseen in numerals i and ii above, must provide evidence of compliance with the following requirements. The online registration form will indicate the steps to follow.

## marathon modality

Participants must comply with **at least one** of the following requirements:

- Show that they have participated **in one (1) Marathon** between 2013 and 2015, achieving a time of 6 hours or less.
- Show that they have participated **in one (1) Half Marathon** between 2013 and

- 2015, achieving a time of 3 hours or less.
- Show that they have participated **in three (3) 10 K Races** between 2013 and 2015, achieving an average time of 1:15 hours in the three races.

## half marathon modality

Participants must comply with **at least one** of the following requirements

- Show that they have participated **in one (1) Marathon** between 2013 and 2015, achieving a time of 6 hours or less.
- Show that they have participated **in one (1) Half Marathon** between 2013 and 2015, achieving a time of 3 hours or less.
- Show that they have participated **in two (2) 10 K Races** between 2013 and 2015, achieving an average time of 1:15 hours in the two races.

## regarding payment

- iv. If payment is made by **credit card**, confirmation of registration will be immediate.
- v. If payment is made through a deposit or bank transfer, keep the confirmation number to complete the registration form. The conciliation process may take up to seven business days.
- vi. If payment by deposit or bank transfer is selected, you will have seven calendar days to make the payment and report it in your profile. If payment is not made within this period, your registration will be cancelled and you must start the registration process again.
- vii. The registration amount is **non reimbursable**.

## regarding participation

- viii. Registration is **non-transferrable**, and non-compliance with this clause implies immediate disqualification of those involved (see article 5.8 of the Regulations).
- ix. Runners must be 18 years old on April 30th of 2017 (see article 5 of the Regulations).
- x. It is mandatory to make an online acceptance of the Disclaimer, Data Protection, and Warning of Race Times Forms.
- xi. Each runner must be able to complete the distance of the chosen modality within the established times:
  - a. Marathon (42,195 mts): **6:00:00 hours**
  - b. Half Marathon (21,097 mts): **3:00:00 hours**

**Note: At the closing of each modality of the event, the finish funnels will be closed, control points will be lifted, and vehicular traffic will be restored.**

## change of modality

- xii. If a modality needs to be changed, there will be a fine equal to 100 percent of the current registration fee at the time the change is requested.
- xiii. Modality changes will only be accepted until February 28th, 2017, or until the registration capacity reaches its maximum.
